- **Required Immunizations for All Entries;**

***THE FOLLOWING MINIMUM IMMUNIZATIONS ARE REQUIREMENTS FOR CHILDREN ATTENDING PENNSYLVANIA SCHOOLS.***

- 4 DPT, Td, or DT Vaccines** (Diphtheria [D], Pertussis [P], Tetanus [T])  
*(1 dose administer on or after the fourth birthday)*
- 3 Oral Polio Vaccines**, or 4 Doses of Salk Polio Vaccine
- 3 Hepatitis B Vaccines** (required for children born in 1993 and later, suggested for those born before 1993)
- 2 MMR Vaccines** (Measles [M] , Mumps [M], Rubella [R])  
*(administered at 12 months of age or older)*
- 1 Varicella Vaccine** (Chicken Pox) or proof of disease

*Medical Exemption - Children need not be immunized if a physician or his designee provides a written statement that immunization may be detrimental to the health of the child. When the physician determines that immunization is no longer detrimental to the health of the child, the child will have to comply with the above immunization requirements.*

*Religious Exemption - Children need not be immunized if the parent, guardian or emancipated child objects in writing to the immunizations on religious grounds, or on the basis of a strong moral or ethical conviction similar to a religious belief. Use the back of the Certificate of Immunization to state your reason.*

**Please provide the school with written records of immunizations from your child's physician or other health care provider. The records of dates will be verified by school personnel and a required certification of immunization form will be completed.**

Your child may, if necessary, attend school provisionally if you can provide evidence of at least 1 dose of each vaccine (Diphtheria, tetanus, polio, Hepatitis B, measles, mumps, rubella and varicella) and a plan for completion of the remaining doses of vaccine is provided to the school. Your child's health record will be reviewed every 60 days until completion of the required doses. Please furnish the school the dates of the additional doses of vaccine as they are received.
