Home and School Association  
Membership Form and Directory Information  
2009-2010**

Every school year the Home and School Association compiles a list of Family names, addresses, and email information for a Home and School Directory. This contact tool will be a very useful tool for St. Martin's families during the school year. Each family that pays the \$10.00 Home and School dues will receive a copy of the directory.
