

MLK Day

BOX DRIVE & CARING FOR FRIENDS FOOD TRUCK

- This year our box drive will be a bit different. Instead of taking a box home and filling it, please buy items and bring them in without a box. We will have our volunteers sort and pack up the items here at SMT.
- Can you help us feed those less fortunate than us? We are asking for trays, that we are providing, to be filled at home and brought FROZEN to the church parking lot on MLK Day between 9:00-12:00. We are asking for meals that consist of a protein (chicken, beef, fish, etc), a starch (rice, potato, pasta), and a vegetable. Please add gravy or butter so when it's reheated the meal won't get dried out. The empty trays are located near the church entrance. Feel free to pick up as many as you need.

MLK Day

ABOUT EACH BOX DRIVE CHARITY

Breakfast Club for Seniors: is a volunteer-based 501(c)3 organization dedicated to providing healthy breakfasts for those in need. At certain times of the year, we additionally provide kids, teens, seniors, adults, and families food that are essential during uneasy times.

The Baby Bureau: a 501(c)(3) nonprofit organization dedicated to providing “Baby Bundles” of clothing, and other items, to underserved babies in our community. The Baby Bundles are distributed by community social service providers that determine the need. We are located in Warminster, Pennsylvania, and serve babies in the Greater Philadelphia area.

Future Teachers: All donations will be given to local college students in the process of getting their education degrees and certifications. These books will help them build their classroom libraries, so students will have a wide range of books to help expand their minds and reading skills.

Garden of Health: Distributes fresh produce and food free of the top eight allergens to food pantries, low-income senior housing, and community groups in Montgomery and Bucks Counties in Pennsylvania.
